**Re: Intention to Make Documents Part of the Public Record  
in WC Docket No. 18-41**

Dear Brian:

In your February 22, 2018 letter to Judge Myren, you stated that “we have nothing to hide” and that SDN is interested in “transparency.” We intend to take you at your word and, as such, hereby advise you of our intention to make the documents included in Attachment A part of the public record in response to SDN’s Petition for Declaratory Ruling and its recent *ex parte* communications with the Commission’s Office of General Counsel.

If SDN objects to the submission of any of these documents into the public record at the FCC, please notify me in writing on or before **Noon ET on Tuesday, February 27, 2018**, and we will promptly address the issue with Judge Myren.

Your prompt attention to this matter is appreciated.

Sincerely,

---

G. David Carter
